Solicitation Process/ Public Records Request

Solicitation Processes and Public Records Requirements

Welcome to the Procurement Department's web page describing our solicitation processes and public records requirements as they relate to those processes.

The purpose of this page is to provide basic information about how the Authority solicits proposals for the goods and services that it needs and how those solicitations are affected by the laws governing public records and their availability. This page is not intended to cover all public records, only those that fall under the responsibility of the Authority to collect, maintain and provide upon request.

Let's begin with the solicitation processes. The Authority's Procurement Policy identifies three methods to procure goods and services. Those methods are:

A. Competitive Sealed Bids

This is the traditional low bid process that most people are familiar with and the one that is most often used by the Authority.

B. Competitive Sealed Proposals

Also known as the Request for Proposals (RFP) process, this process requires the submittal of technical proposals and price proposals (if specified in the proposal documents) from

Procurement Resources

It is the mission of CFX's Procurement Department to promote public confidence in procedures the agency follows to procure goods and services.

The Procurement Department also seeks to ensure fair and equitable treatment of all vendors and provide quality, cost effective and timely services in an ethical, courteous and professional manner.

Please take a few minutes to explore the information available on these pages, and contact the Procurement Department if you have any questions.

Roadway, Bridge and Facilities Construction Projects

Bidding documents for CFX construction projects are available for download directly from this website after completing a brief registration process. Companies also may subscribe to our eProcurement service, which notifies subscribers of bidding documents when they become available on the website. eProcurement subscribers also can download bidding documents from this site. Each time a company registers to download bidding documents, the planholder list is automatically updated. You don't have to register to view advertisements, planholder lists, original bid items and quantities or bid results.

Design Professional Services

CFX's [Procurement Policy](#) defines Design Professional Services as services "within the scope of the practice of architecture, professional engineering, landscape architecture or registered surveyor and mapper in connection with their professional employment or

Procurement Dashboard

Doing Business With Us / Login / Procurement Dashboard

Welcome to the CFX Procurement Dashboard and thank you for your interest in participating in CFX's procurement processes. By creating an account you are being granted access to Current Bids and Addenda that are available for download. Upon downloading the bid you will become a planholder of record. Select the Current Bids tab to find out more.

If you would like to be notified when bids become available, we encourage you to select the various commodity codes that you may be interested in so that you may participate in our automated eProcurement Notification Email System. Select the eProcurement Notification tab to find out how.

If you experience difficulties during your visit you can call 407-690-5375 to be connected to a CFX Procurement Team Member who will assist you. If calling after hours, your voice mail will be responded to the next business morning.

We are continuously improving CFX's Procurement website and Dashboard and welcome your comments and suggestions for improvement. Please send your comments and suggestions to the Manager of Procurement or you may call 407-690-5372.

Commodity Codes

The CFX eProcurement Notification Email System has been created to provide you with information on procurement solicitations. CFX will continue to utilize and abide by the mandates therein through both print and digital solicitation advertisements. The eProcurement Notification Email System is not intended to replace the solicitation process and enhance the solicitation process. Parties interested in CFX procurement solicitations should register for the eProcurement Notification Email System.

As the Expressway Authority advertises solicitations, you will be automatically notified of new solicitations. If you have registered for utilizing the commodity codes that you have previously selected on the Procurement web page so that you may review the full advertisement solicitation process.

Select an area of interest then subscribe to the applicable Commodity Codes. This registration and notification service is free to all interested parties. An email will be sent to you if any new Commodity Codes are added. You may opt out anytime by selecting Remove.

Supplier Diversity Resources

Be Part of the CFX Team

The Central Florida Expressway Authority (CFX) plays a vital role in the region's economy, providing either directly or indirectly thousands of jobs through planning, construction, operation and maintenance of our toll roads.

By ensuring a level playing field, businesses of all sizes are provided an equal opportunity to benefit as a CFX vendor. CFX conducts its business openly and transparently while seeking to represent the best interests of its customers, bondholders and community stakeholders.

Supplier Diversity Programs

The CFX Supplier Diversity Department's mission is to provide small, disadvantaged business enterprises (DBE), minority and women-owned enterprises (M/WBE) with an equal opportunity and equal access to participate in the Agency's procurement process. CFX sets a 15% disadvantaged, minority and women owned (D/M/WBE) business enterprise objective for CFX funded projects and recognizes D/M/WBEs certifications from the [City of Orlando](#), [Orange County Government](#), and the [Florida Department of Transportation](#).

Will Hawthorne, P.E., Manager of Engineering
Central Florida Expressway Authority

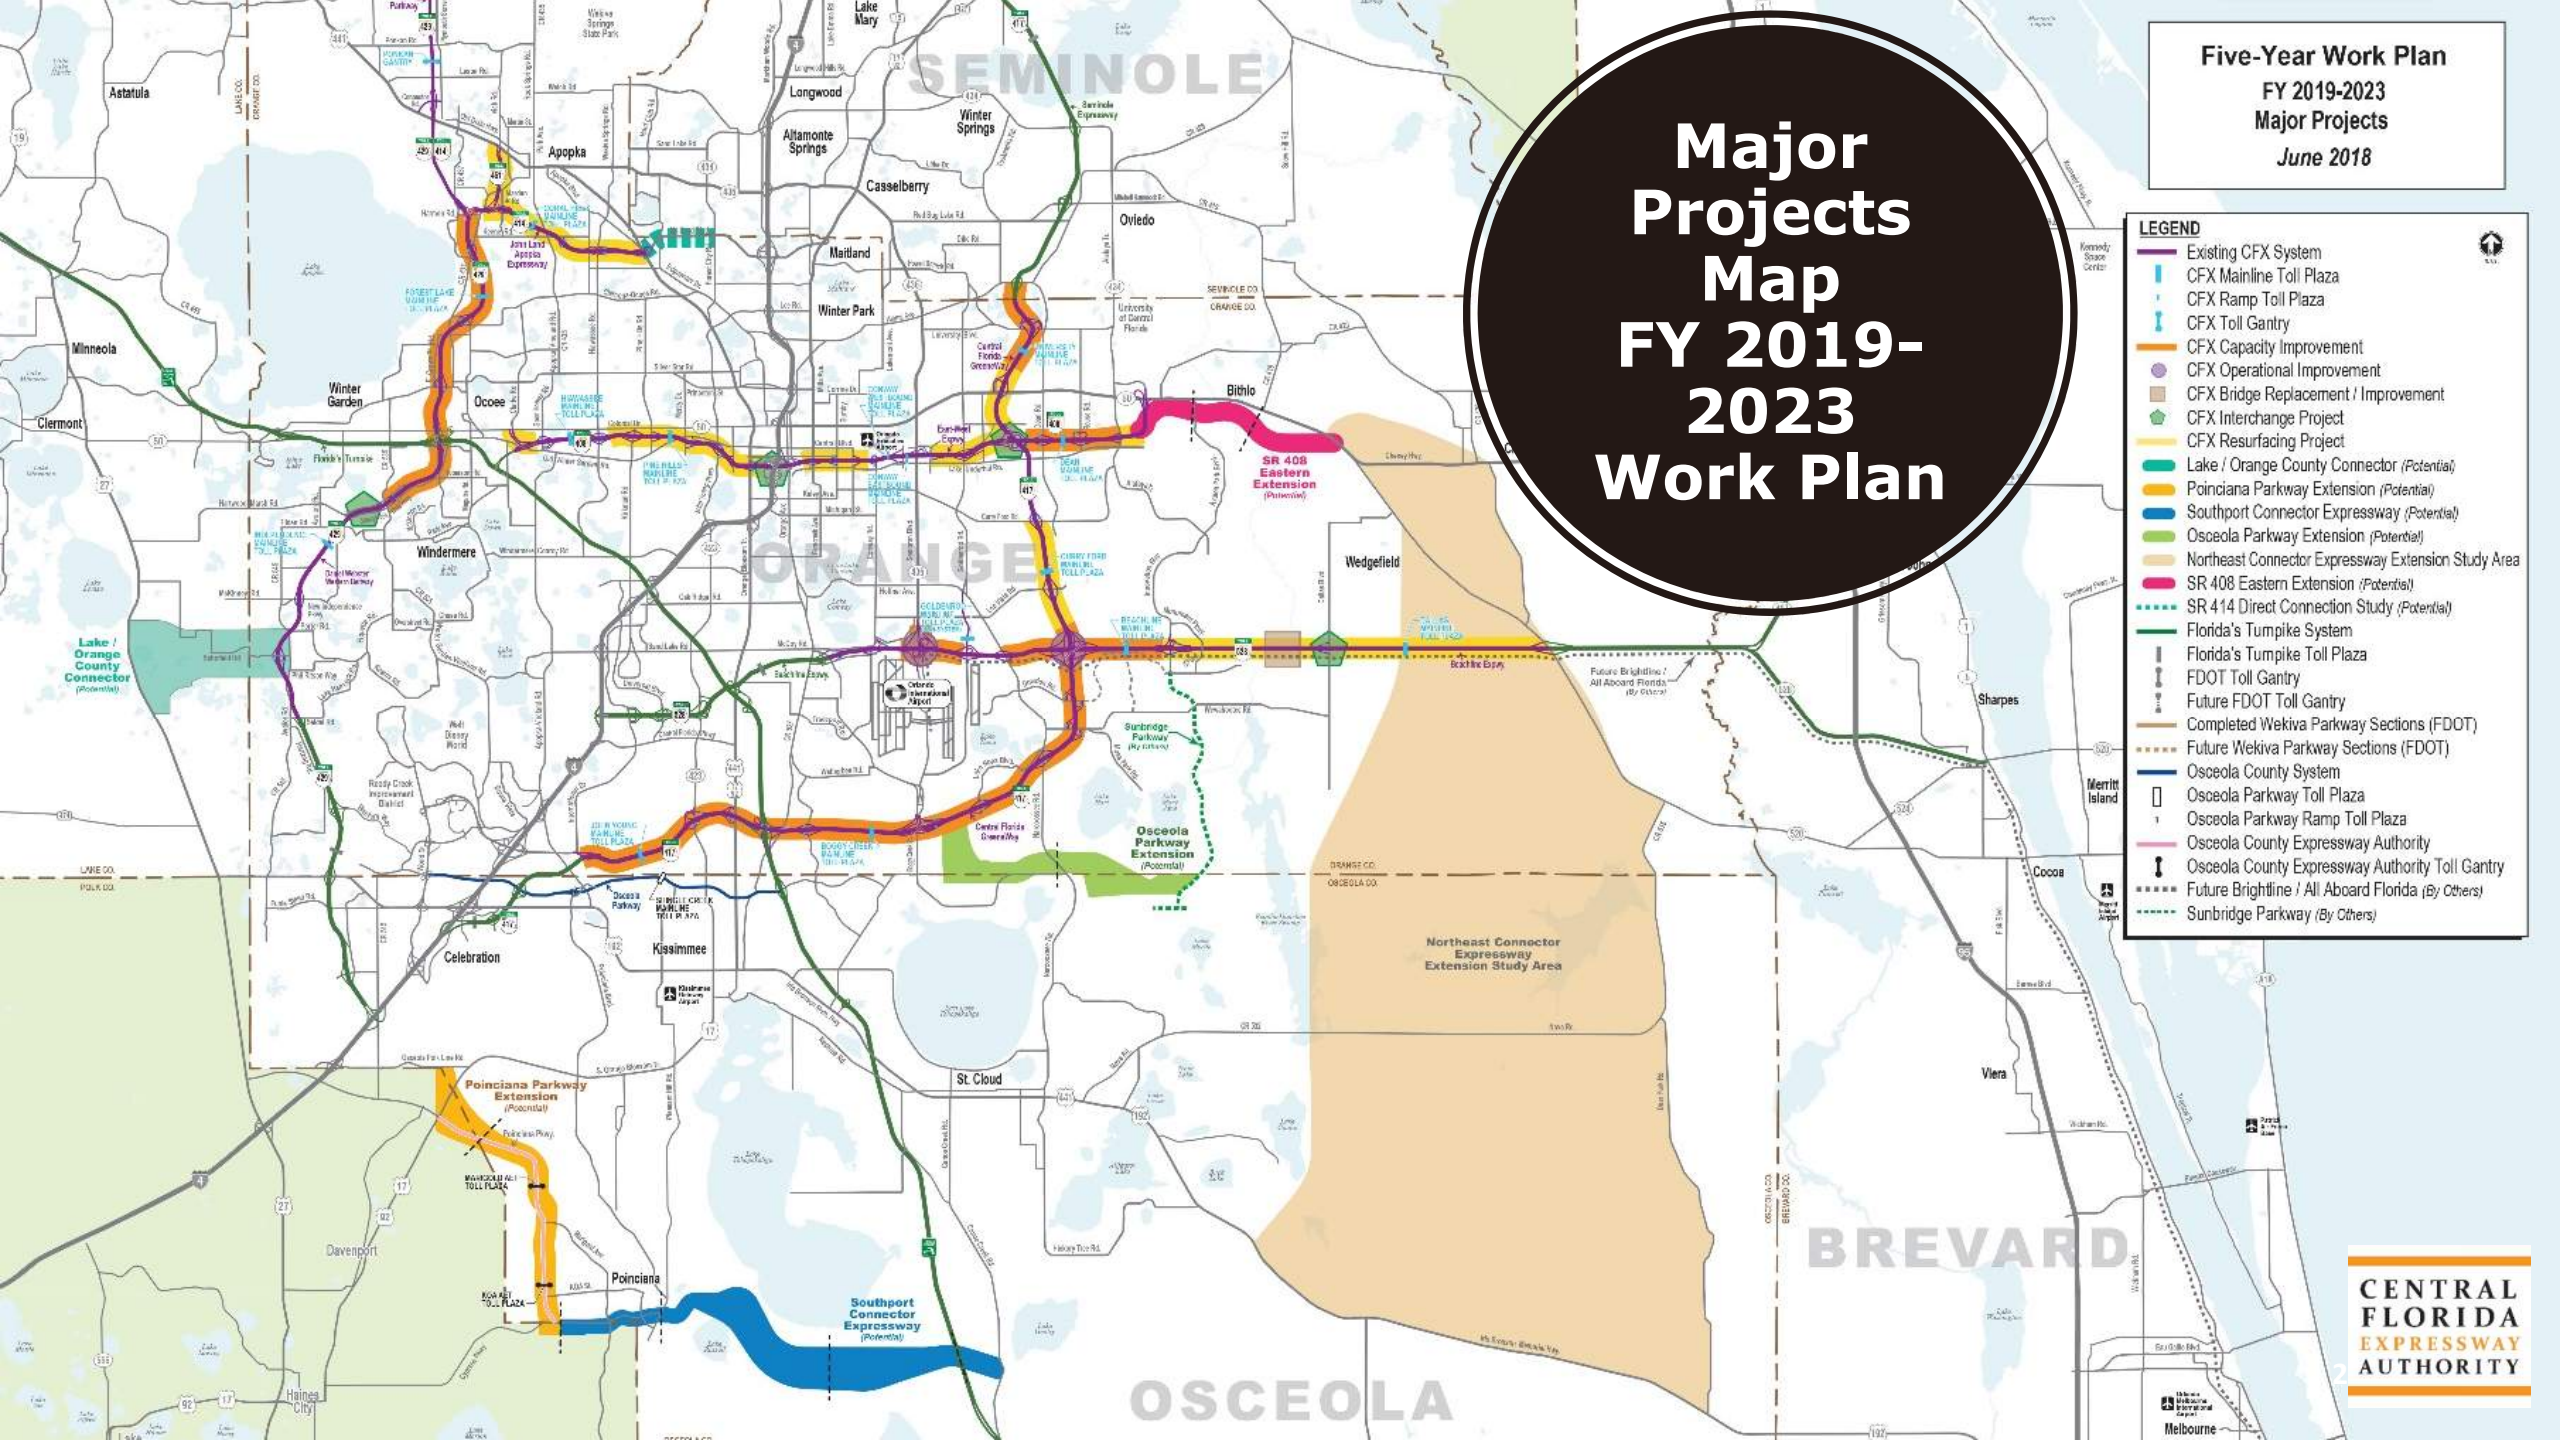

— January 10, 2019 —

FY 2019-2023 Work Plan

Project Cost Summary (\$000's)	Fiscal Year					Totals
	2018/19	2019/20	2020/21	2021/22	2022/23	
Existing System Improvements	96,511	154,899	315,199	155,569	46,983	769,161
System Expansion Projects	12,420	12,149	37,645	105,784	387,140	555,138
Interchange Projects	117,416	96,314	6,617	12,350	43,704	276,401
Facilities Projects	2,271	4,065	4,158	1,554	1,155	13,203
Transportation Technology Projects	14,065	9,009	5,554	3,989	3,138	35,755
Information Technology Projects	37,259	16,689	7,251	5,000	4,000	70,199
Signing and Pavement Markings	1,837	2,847	1,966	1,392	180	8,222
Renewal and Replacement Projects	44,000	58,165	31,203	35,335	8,119	176,822
Landscape Projects	810	805	1,435	810	805	4,665
Non-System Projects	0	0	0	0	0	0
TOTALS	326,589	354,942	411,028	321,783	495,223	1,909,565

Major Projects Map FY 2019-2023 Work Plan

- LEGEND**
- Existing CFX System
 - CFX Mainline Toll Plaza
 - CFX Ramp Toll Plaza
 - CFX Toll Gantry
 - CFX Capacity Improvement
 - CFX Operational Improvement
 - CFX Bridge Replacement / Improvement
 - CFX Interchange Project
 - CFX Resurfacing Project
 - Lake / Orange County Connector (Potential)
 - Poinciana Parkway Extension (Potential)
 - Southport Connector Expressway (Potential)
 - Osceola Parkway Extension (Potential)
 - Northeast Connector Expressway Extension Study Area
 - SR 408 Eastern Extension (Potential)
 - SR 414 Direct Connection Study (Potential)
 - Florida's Turnpike System
 - Florida's Turnpike Toll Plaza
 - FDOT Toll Gantry
 - Future FDOT Toll Gantry
 - Completed Wekiva Parkway Sections (FDOT)
 - Future Wekiva Parkway Sections (FDOT)
 - Osceola County System
 - Osceola Parkway Toll Plaza
 - Osceola Parkway Ramp Toll Plaza
 - Osceola County Expressway Authority
 - Osceola County Expressway Authority Toll Gantry
 - Future Brightline / All Aboard Florida (By Others)
 - Sunbridge Parkway (By Others)

Design Contracts / Projects

Miscellaneous Design Consultant Services

Contract to be advertised February 3, 2019

- Prime shall be SSBE
- \$2.5 Million Over 3 Years
- 3 Year Contract with Option for 2, 1-Year Renewals
- As-needed Work Authorizations

Project Types

- Renewal and Replacement
- Miscellaneous System Improvements
- Facilities
 - Architectural, Mechanical, Electrical & Plumbing

SSBE Design Team Qualifications

Major Types of Work:

- 3.1 – Minor Highway Design

Additional Types of Work Required (Can be Prime or Subconsultants):

- 3.2 – Major Highway Design
- 4.1 – Miscellaneous Structures and Minor Bridge Design
- 6.1 – Traffic Engineering Studies
- 6.2 – Traffic Signal Timing
- 6.3 – Intelligent Transportation Systems Analysis, Design and Implementation
- 7.1 – Signing, Pavement Marking, and Channelization
- 7.2 – Lighting
- 7.3 – Signalization
- 8.1 – Control Surveying
- 9.1 – Soil Exploration
- 9.2 – Geotechnical Classification Lab Testing
- 9.4 – Foundation Studies
- 14 – Architect
- 15 – Landscape Architect

Disadvantaged / Minority / Women Owned Business Enterprise Program:

- 15% participation objective

Design Team Qualifications

- Major Types of Work:
 - 3.2 – Major Highway Design
 - 3.3 – Controlled Access Highway Design
- Additional Types of Work Required:
 - 4.1 – Miscellaneous Structures and Minor Bridge Design
 - 6.1 – Traffic Engineering Studies
 - 6.3 – Intelligent Transportation Systems Analysis, Design and Implementation
 - 7.1 – Signing, Pavement Marking, and Channelization
 - 7.2 – Lighting
 - 7.3 – Signalization
 - 8.1 – Control Surveying
 - 8.2 – Design, Right of Way and Construction Surveying
 - 8.4 – Right of Way Mapping
 - 9.1 – Soil Exploration
 - 9.2 – Geotechnical Classification Lab Testing
 - 9.4 – Foundation Studies
- Disadvantaged / Minority / Women / Business Enterprise Participation:
 - 20% participation objective for each Project

Design Team Requirements

Prime Executes 60% of the Scope

Key Local Resources:

- Project Manager

- Roadway

- Drainage & Permitting

SR 417 Widening

Boggy Creek Road to Narcoossee Road

4.5 Miles

Add lanes, mill & resurface

Advertisement

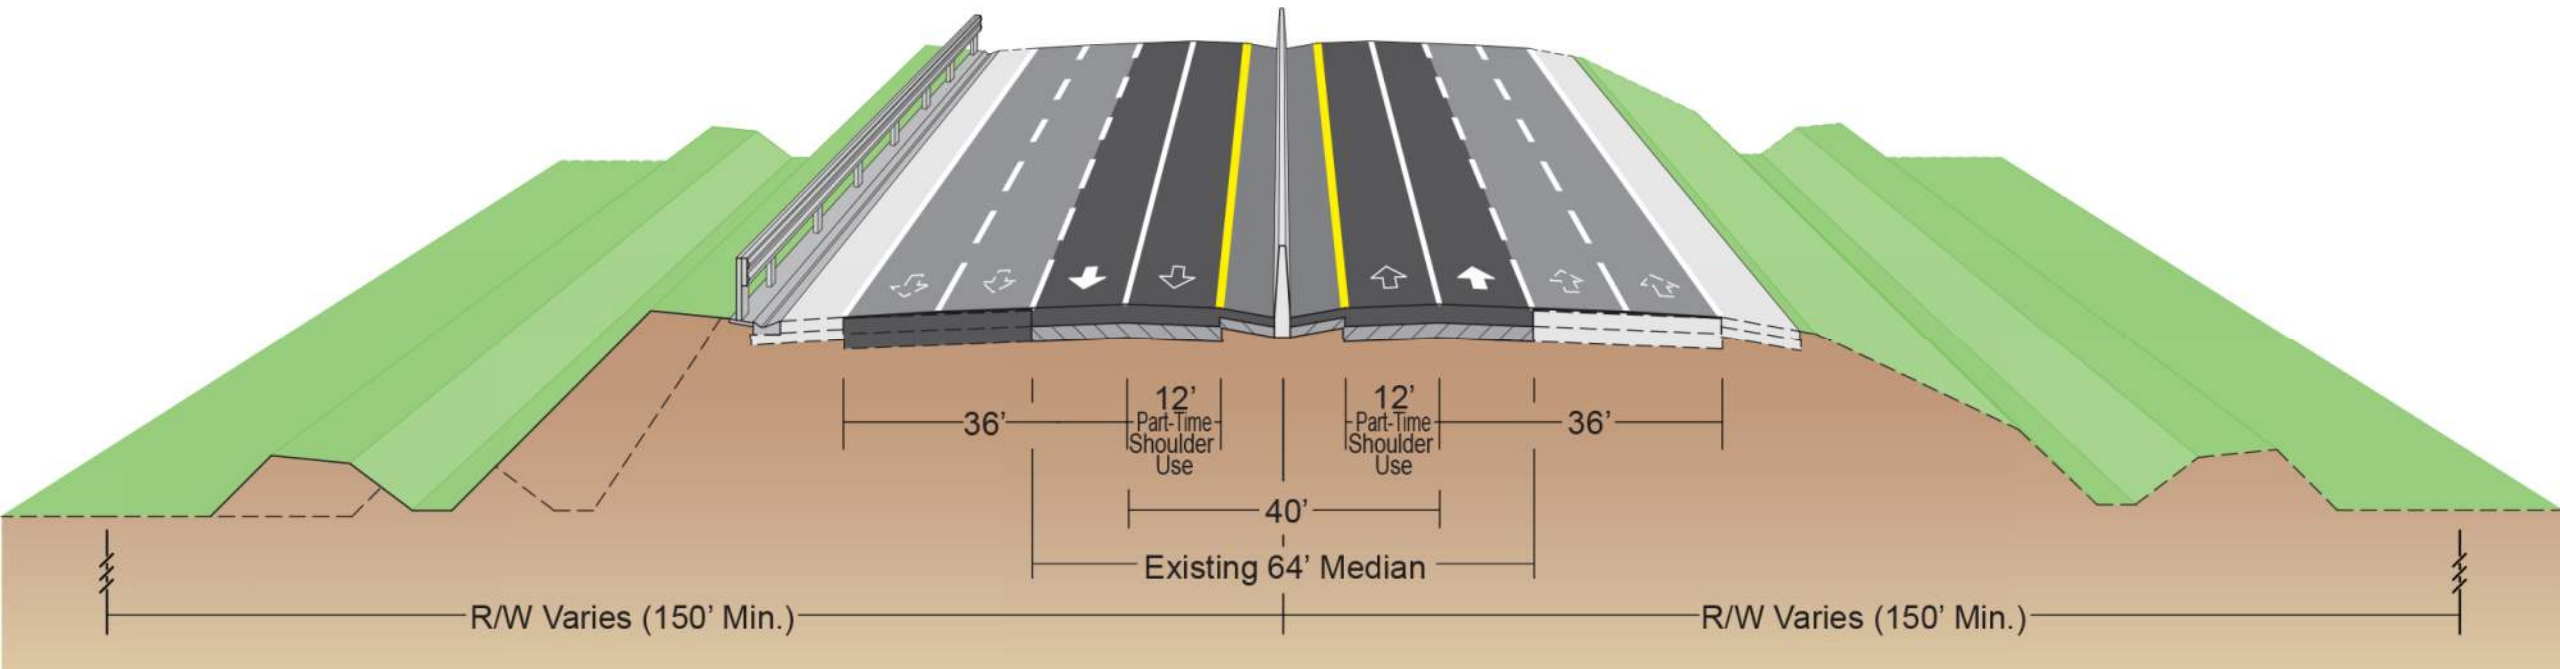

- February 17, 2019

Design Fee Estimate = \$4 M

SR 417 Widening

Boggy Creek Road to Narcoossee Road

SR 417 Widening

Boggy Creek Road to Narcoossee Road

Challenges

Adjacent project coordination

- South – Project 417-149
- North – Project 417-150
- Narcoossee (SR 15) Widening
- Potential connection to Osceola Parkway Extension

SR 528 Widening

Narcoossee Road to SR 417 (STA 910 to 1010)

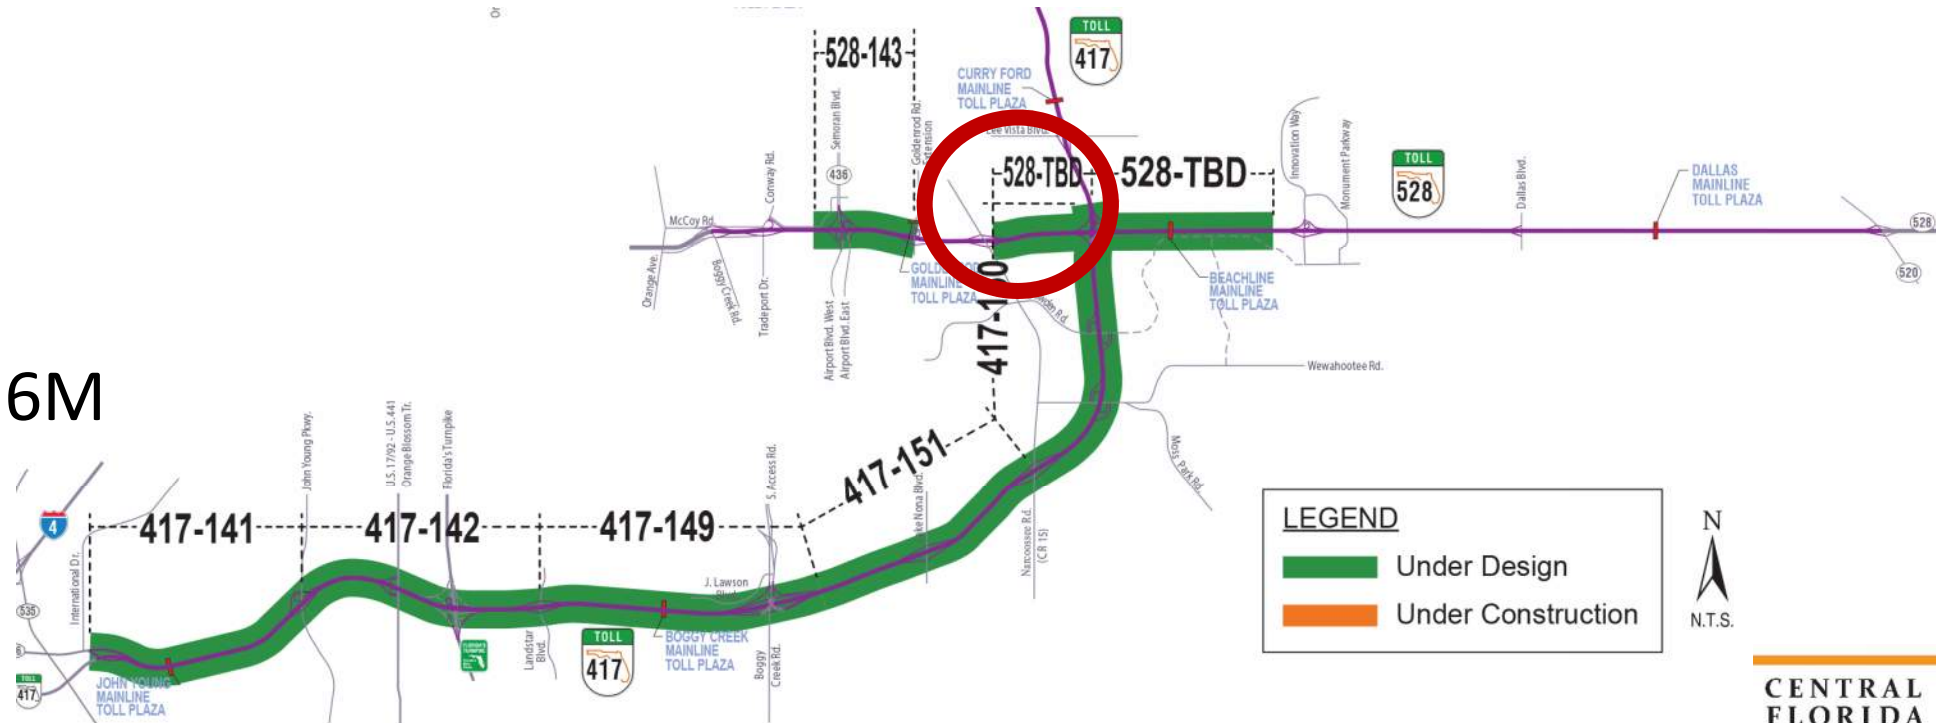

1.8 Miles

Add lane, mill & resurface

Advertisement:

- July 2019

Design Fee = \$1.6M

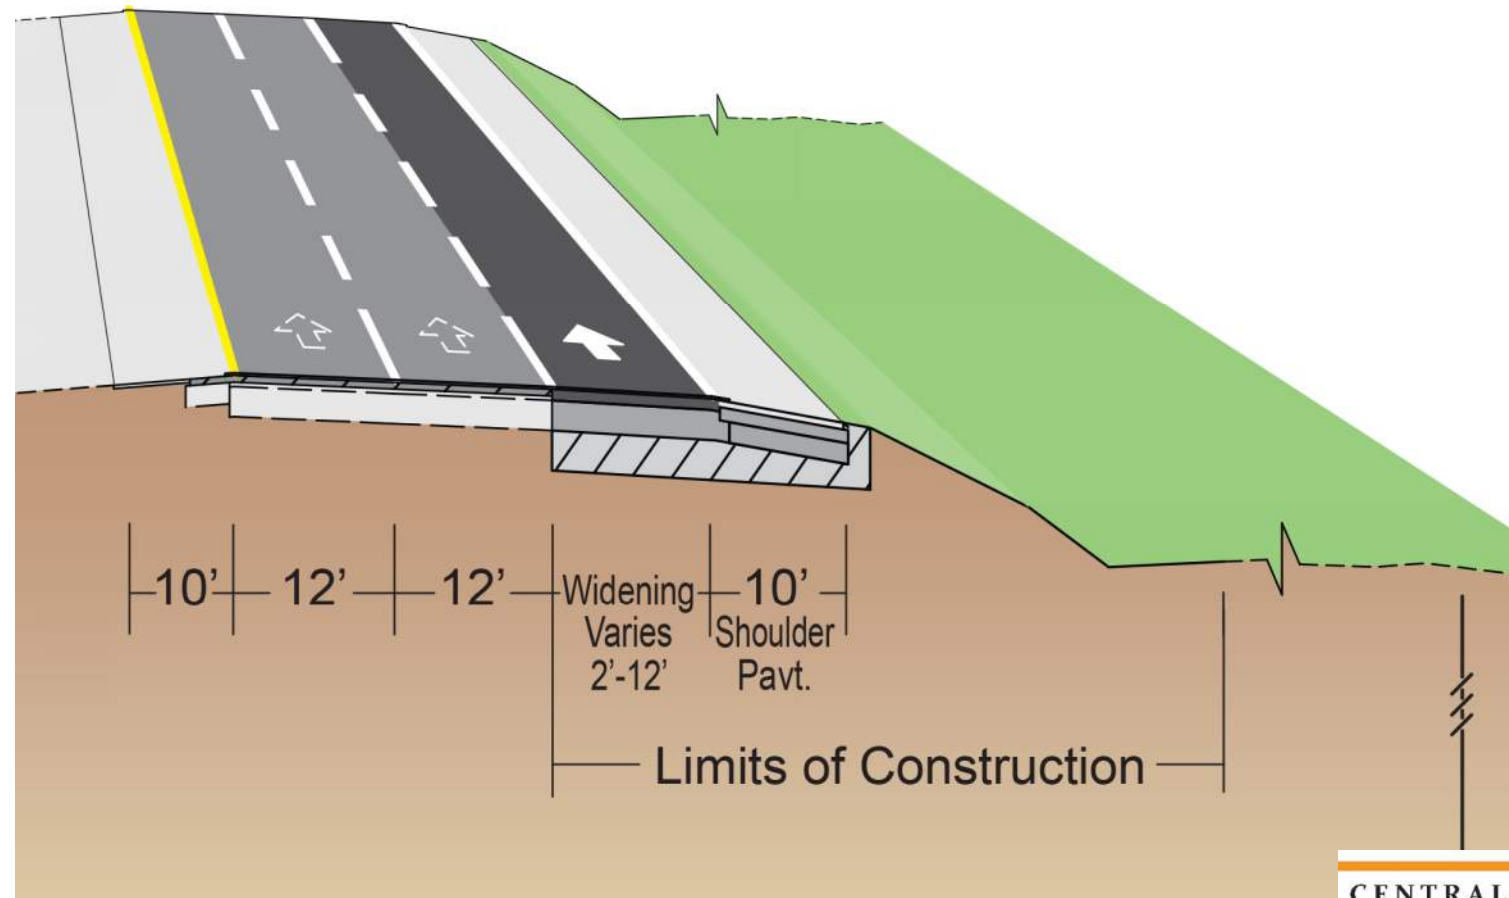

SR 528 Widening

Narcoossee Road to SR 417 (STA 910 to 1010)

Widen eastbound direction only

Challenges:

- All Aboard Florida (AAF) coordination
- Adjacent project coordination (528-143)

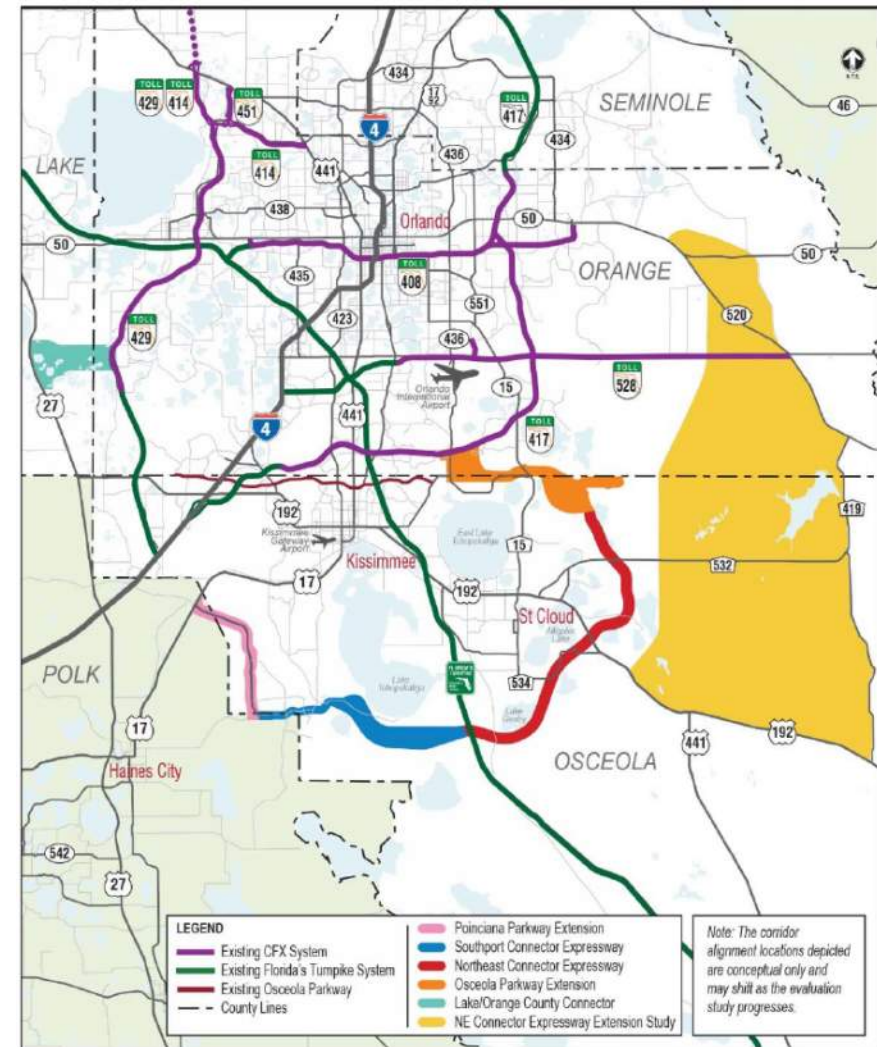

Potential Expansion Projects

System Expansion Projects

Osceola Parkway Extension (Potential)

Lake/Orange County Connector (Potential)

Poinciana Parkway Extension (Potential)

Osceola Parkway Extension

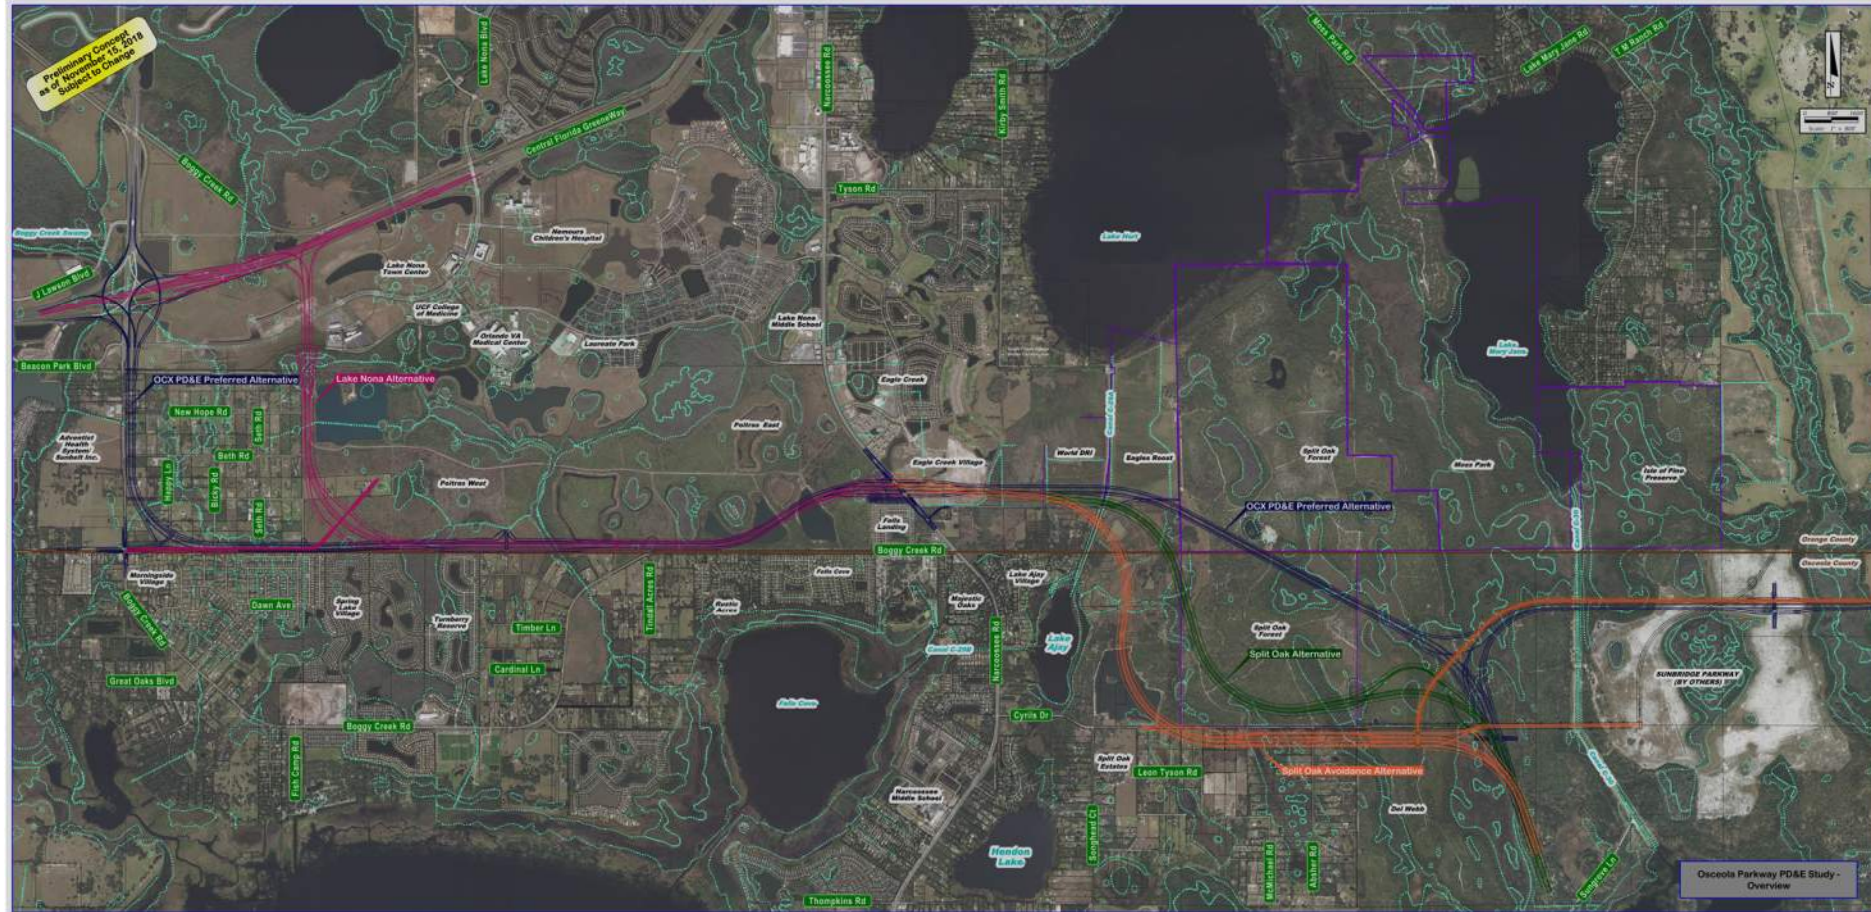

Boggy Creek Road to Sunbridge Parkway

Boggy Creek Road to
Sunbridge Parkway

PD&E Re-Evaluation
Study Complete
Spring 2019

9 Centerline Miles

**Final Design Est.
\$60.0M**

Lake / Orange County Connector

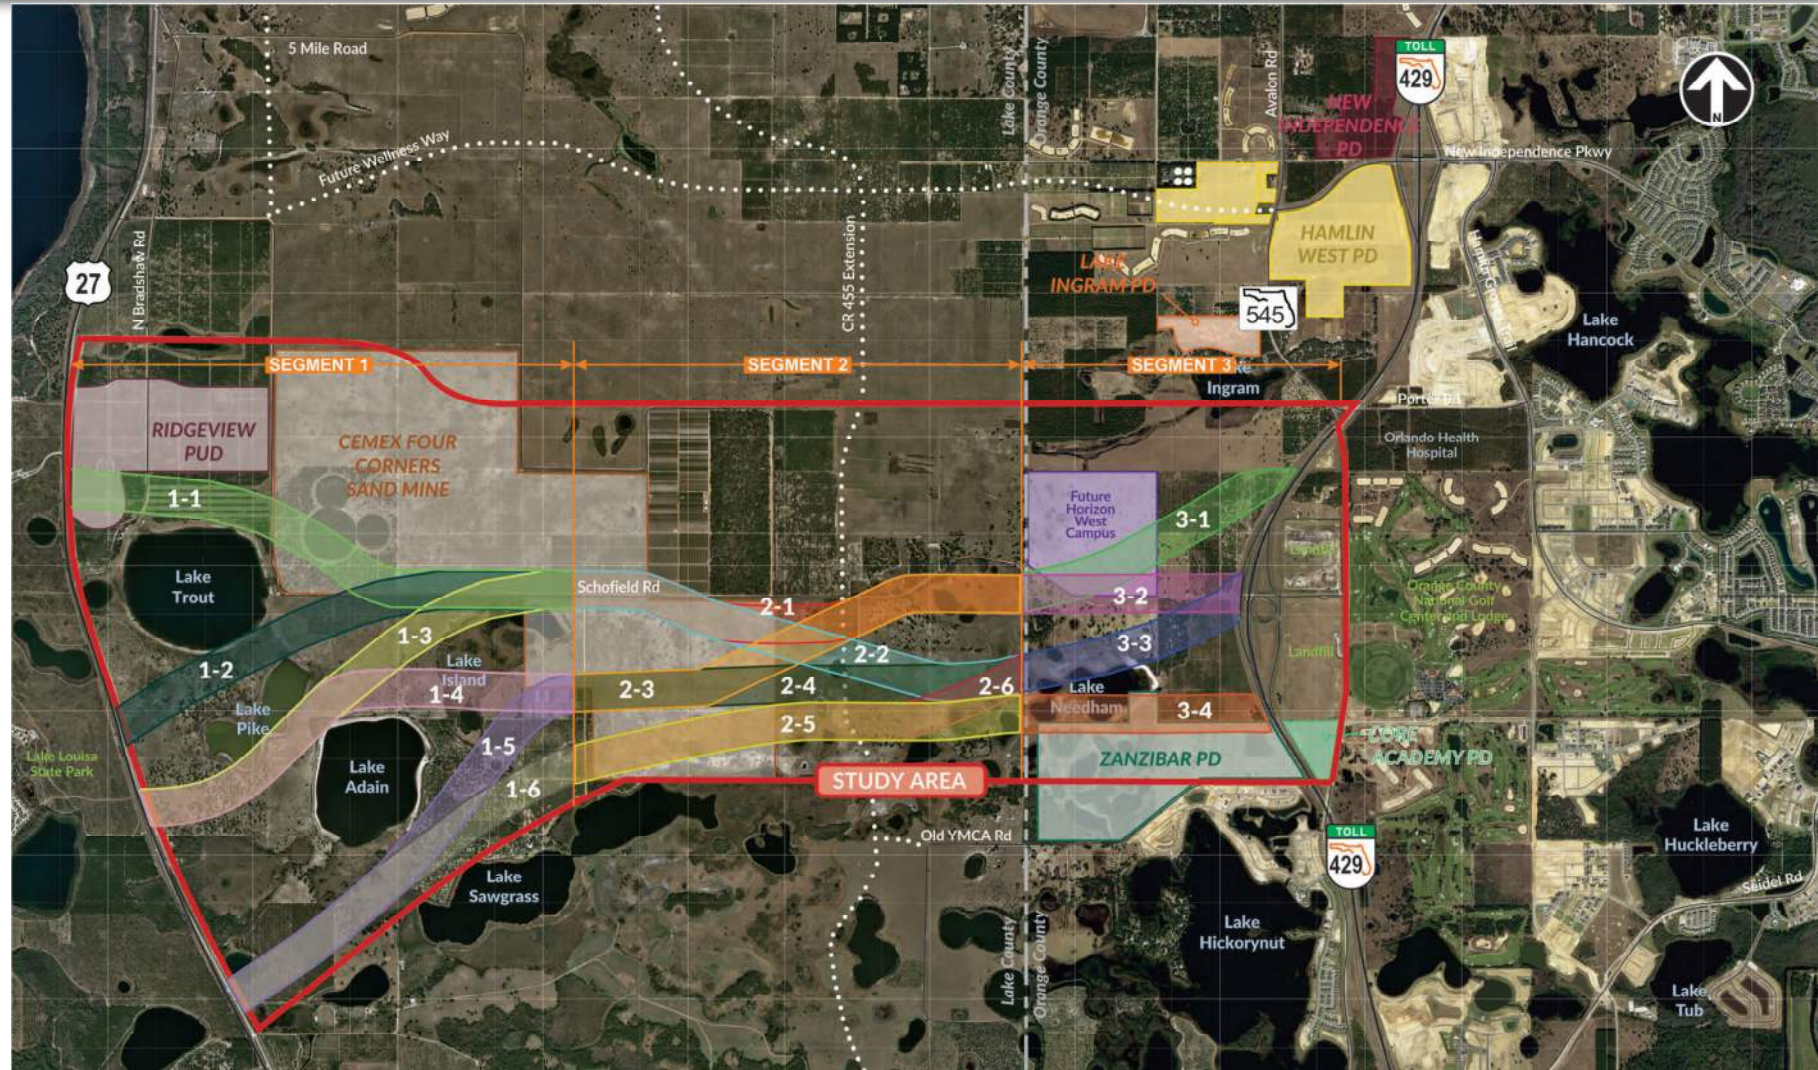

US 27 to SR 429

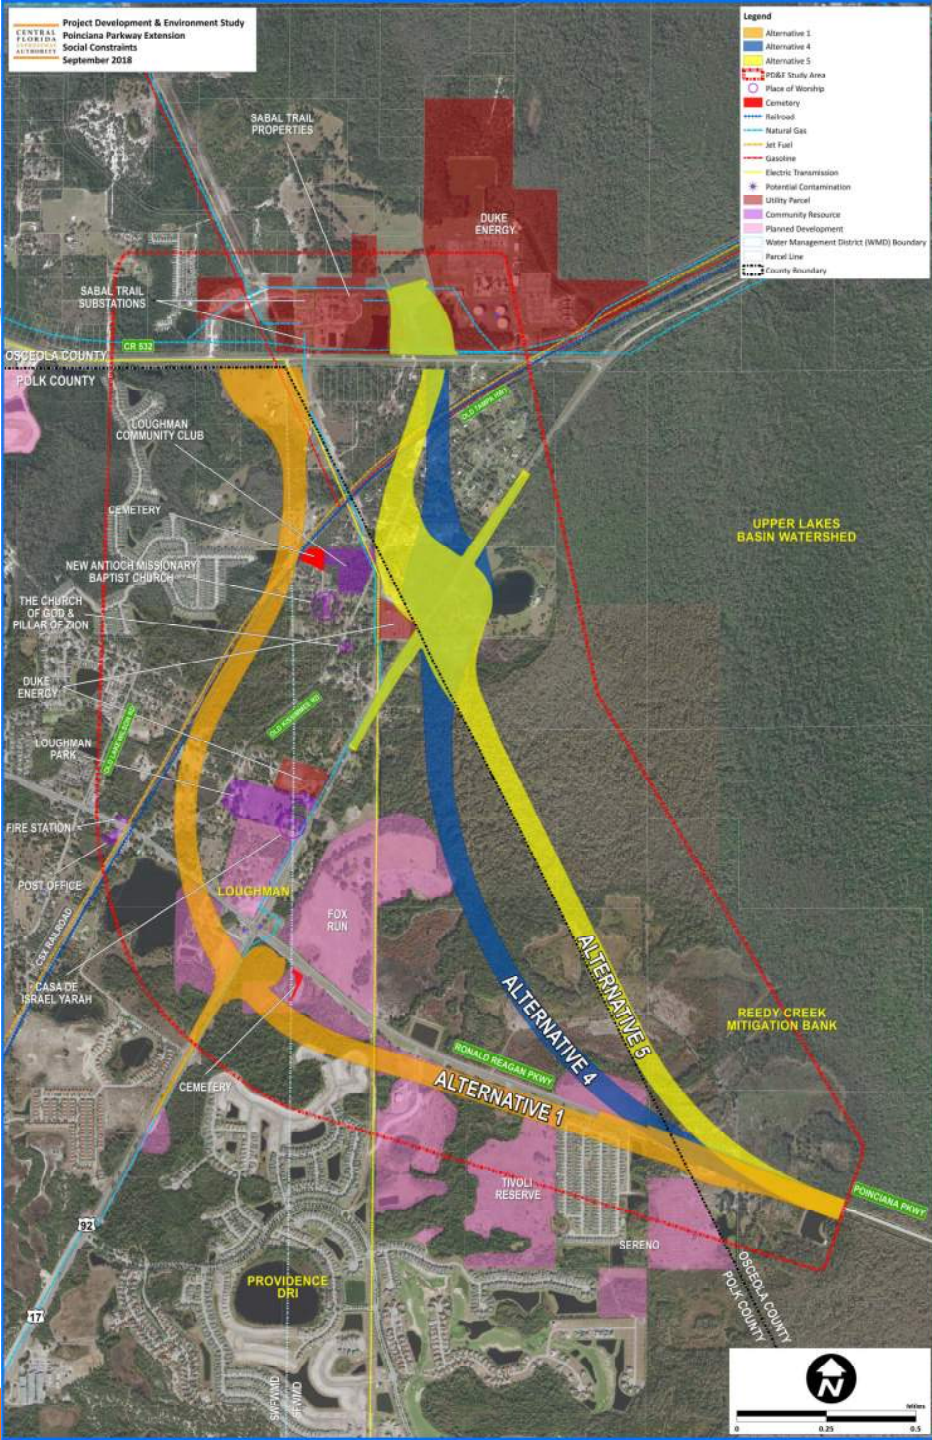

US 27 – SR 429

PD&E Study
Complete
Spring 2019

5 Centerline Miles

**Final Design Est.
\$15.1 M**

Poinciana Parkway Extension

Cypress Parkway to CR 532

Cypress Parkway to CR
532

PD&E Study Complete
Fall 2019

10 Centerline Miles

Phase 1 Final Design
Estimate \$13.3 M

Questions?

The logo for the Central Florida Expressway Authority is centered in the upper half of the image. It consists of the words "CENTRAL", "FLORIDA", "EXPRESSWAY", and "AUTHORITY" stacked vertically. "EXPRESSWAY" is in orange, while the other words are in dark blue. The text is flanked by two horizontal orange bars.

2019 Construction Oversight

Ben Dreiling P.E., Director of Construction
Central Florida Expressway Authority

— January 10, 2019 —

Construction Management Consultant Contract (CMC)

Advertisement:

- February 3, 2019

3 Year Contract with 2, 1-year Renewals

As-needed Work Authorizations

CMC Qualifications

Types of Work:

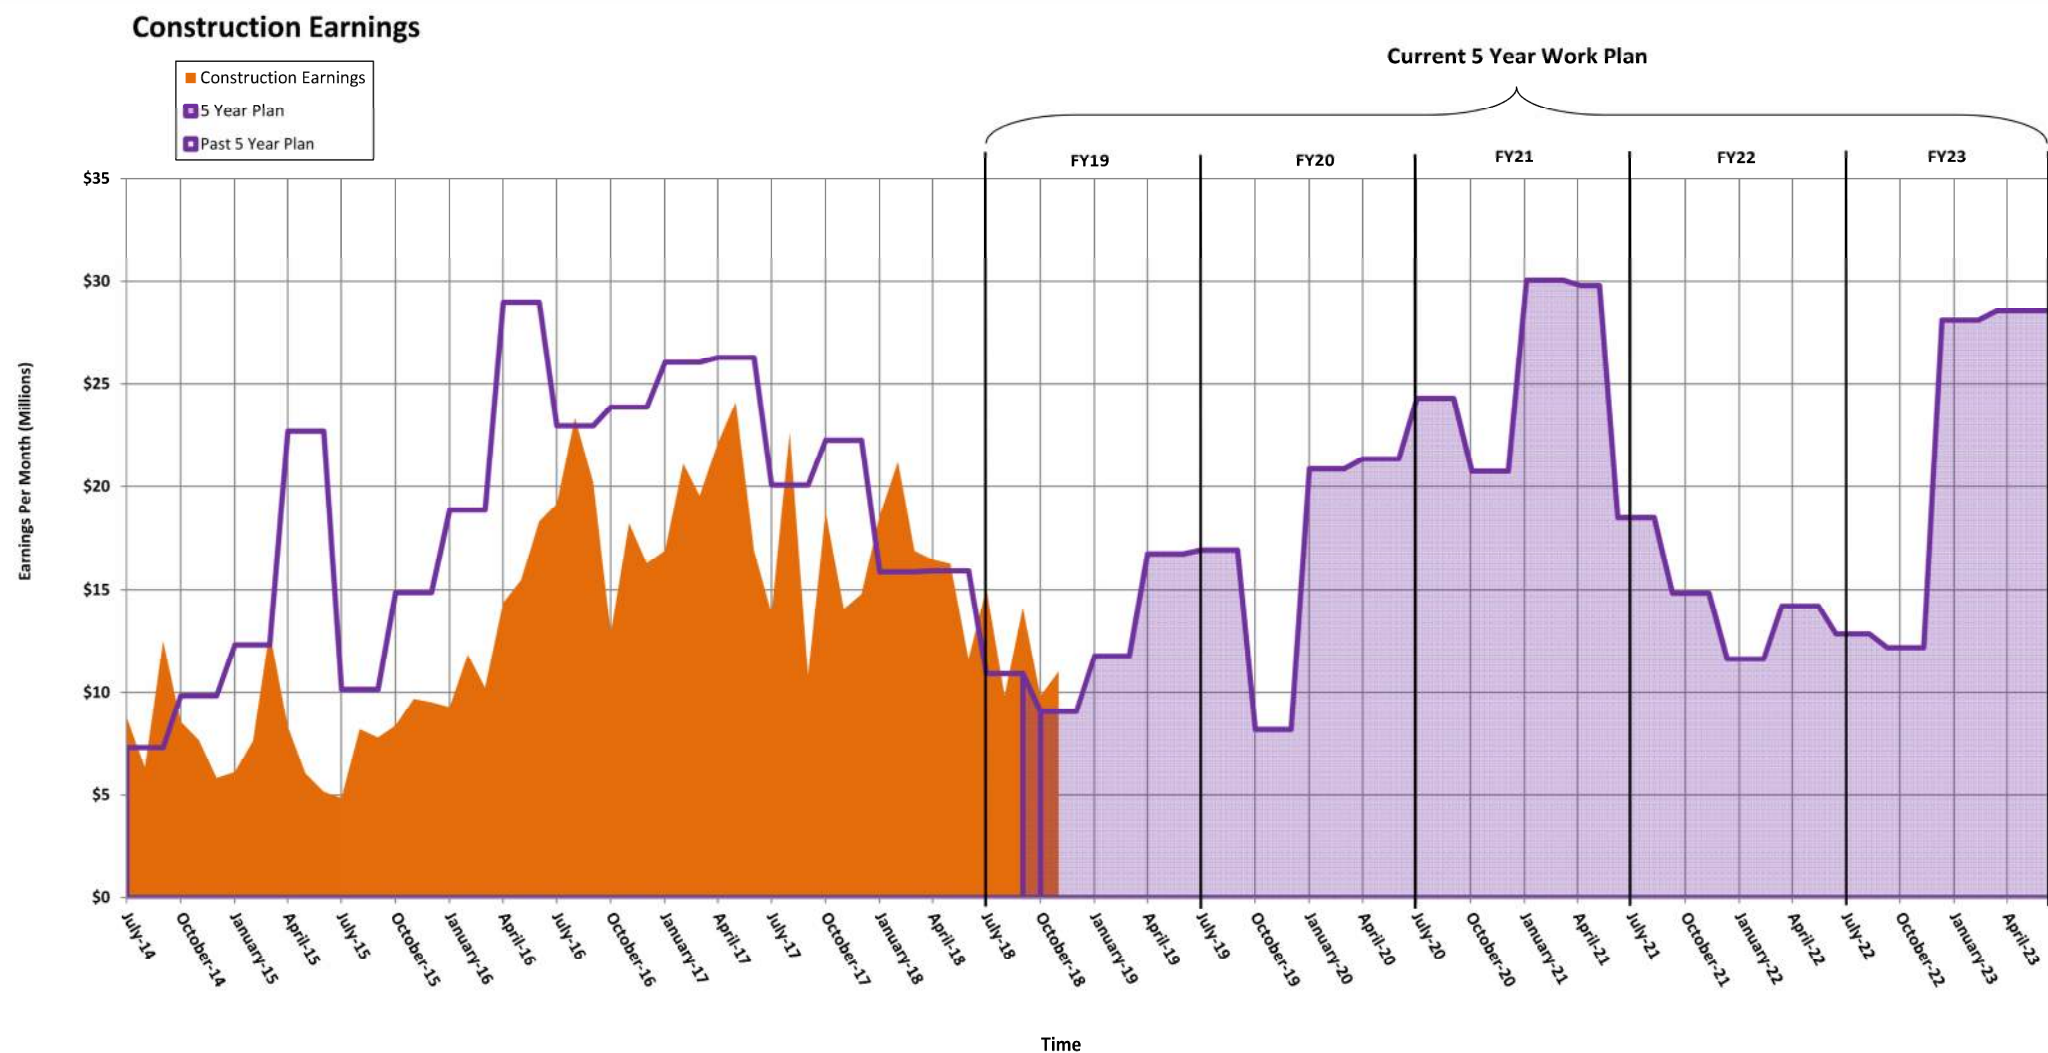

- 10.1 – Roadway Construction
- 11.0 – Engineering Contract Administration

CMC Scope

- Construction project management
- Independent oversight and assurance
- Environmental liaison
- Constructability reviews
 - Phasing, MOT, etc.

CEI Projects

Construction Earnings

CEI Qualifications

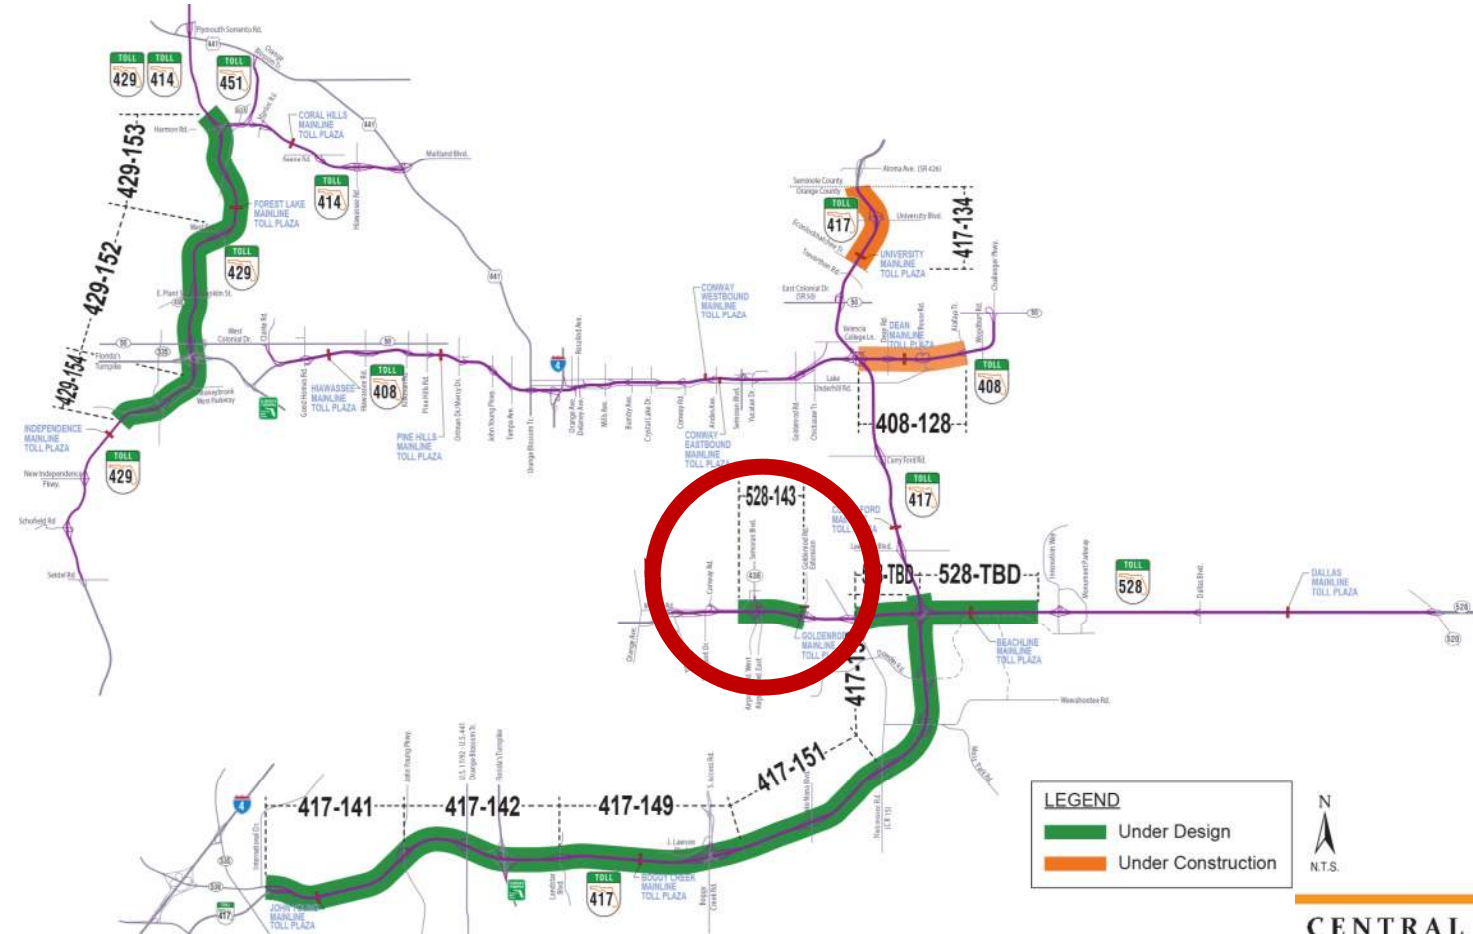

Major types of work:

- 10.1 – Roadway Construction
- 10.3 – Construction Materials Inspection
- 10.4 – Minor Bridge and Miscellaneous Structures
- 10.5 – Major Bridge (Optional)

SR 528 / SR 436

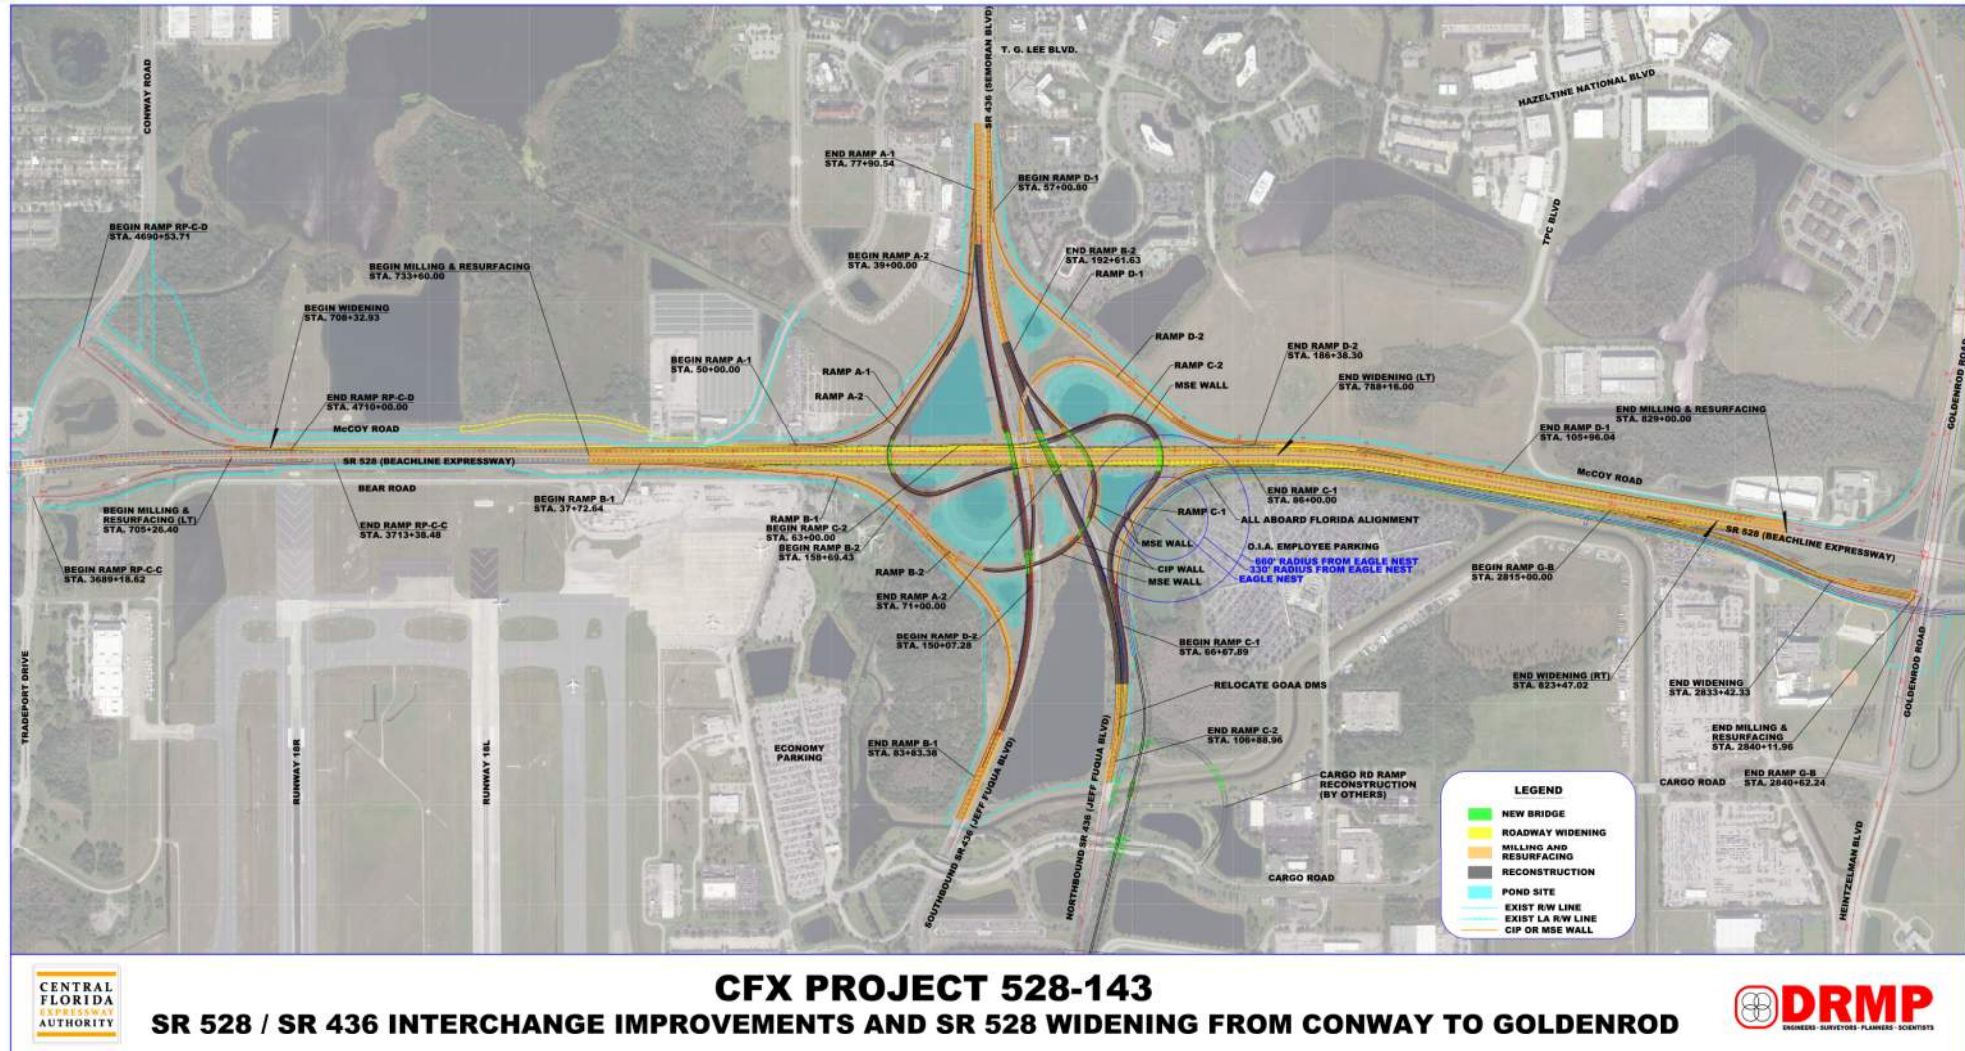

Interchange Improvements and Widening to Goldenrod Road

- CEI Project (528-143)
- Advertisement:
 - July 2019
- \$75M estimated construction cost
 - Demolition of existing bridges and widening of SR 528 to provide:
 - Full interchange
 - 6 general use lanes through the interchange area
 - Auxiliary lane eastbound to Goldenrod Road and westbound to Conway Road

SR 528 / SR 436

Interchange Improvements and Widening to Goldenrod Road

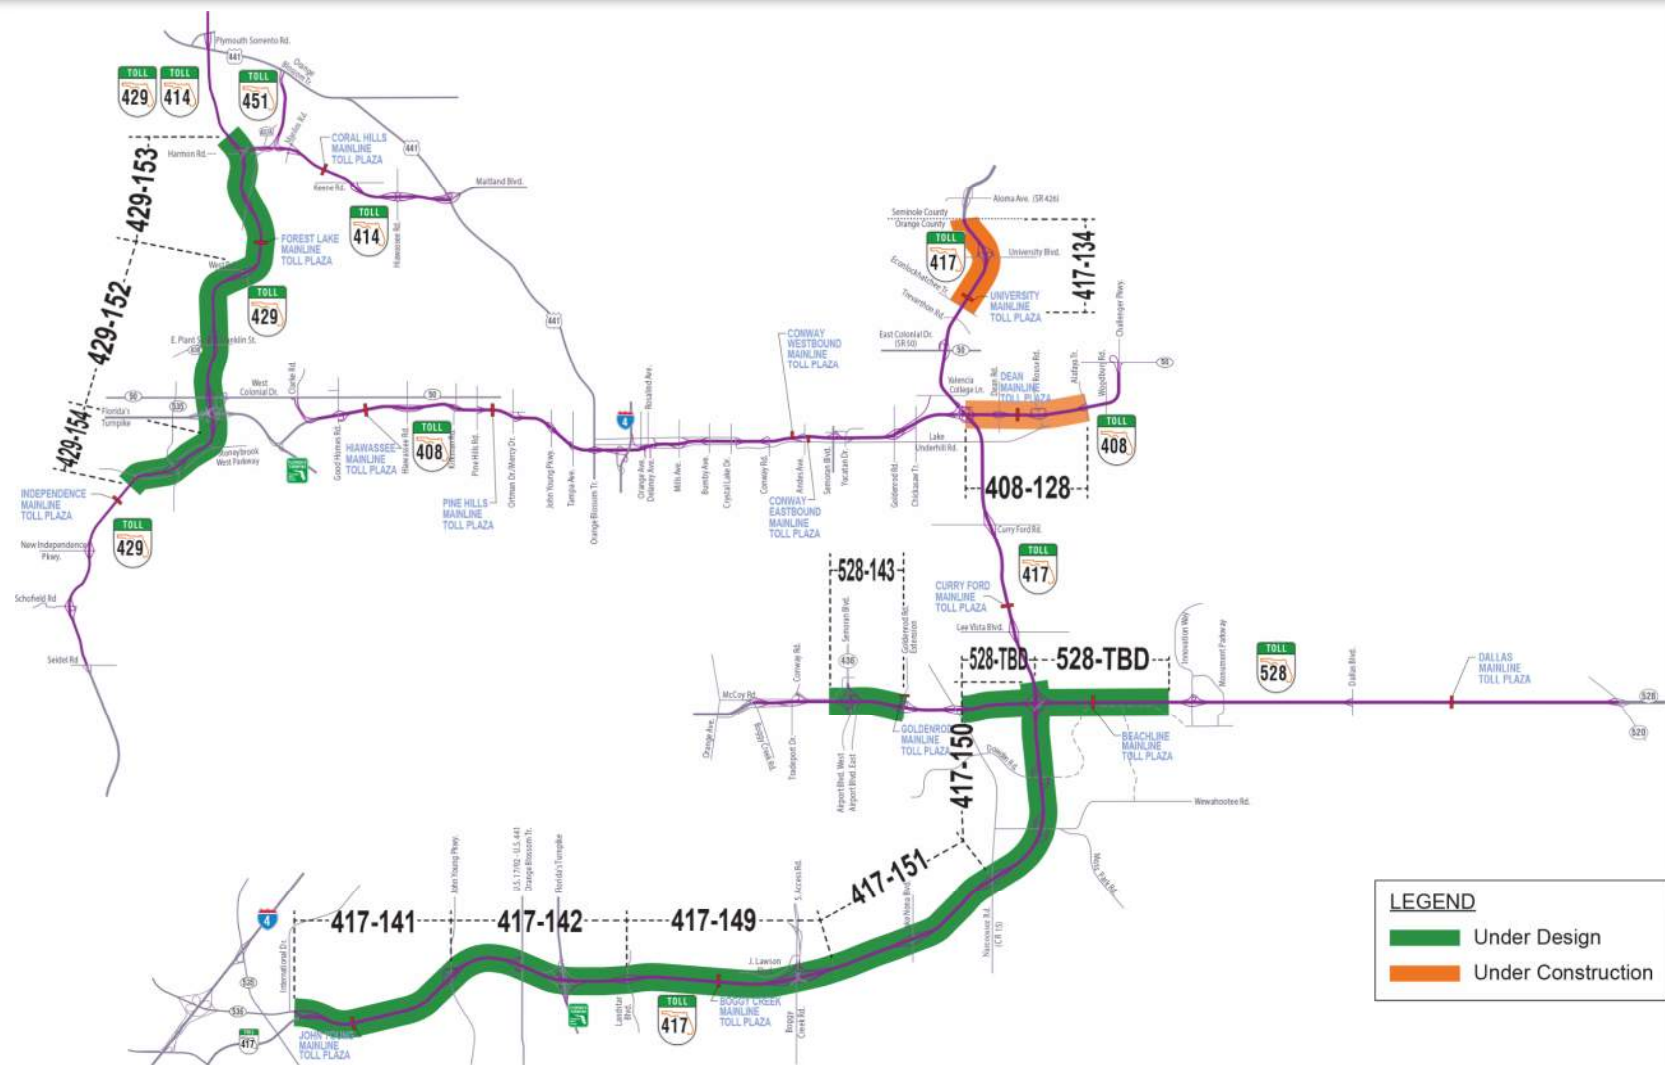

SR 528 / SR 436

Interchange Improvements and Widening to Goldenrod Road

- Challenges:
 - Maintenance of Traffic (MOT)
 - 7 Bridges
 - Coordination with:
 - All Aboard Florida (AAF)
 - Greater Orlando Aviation Authority (GOAA)
 - Federal Aviation Authority (FAA)

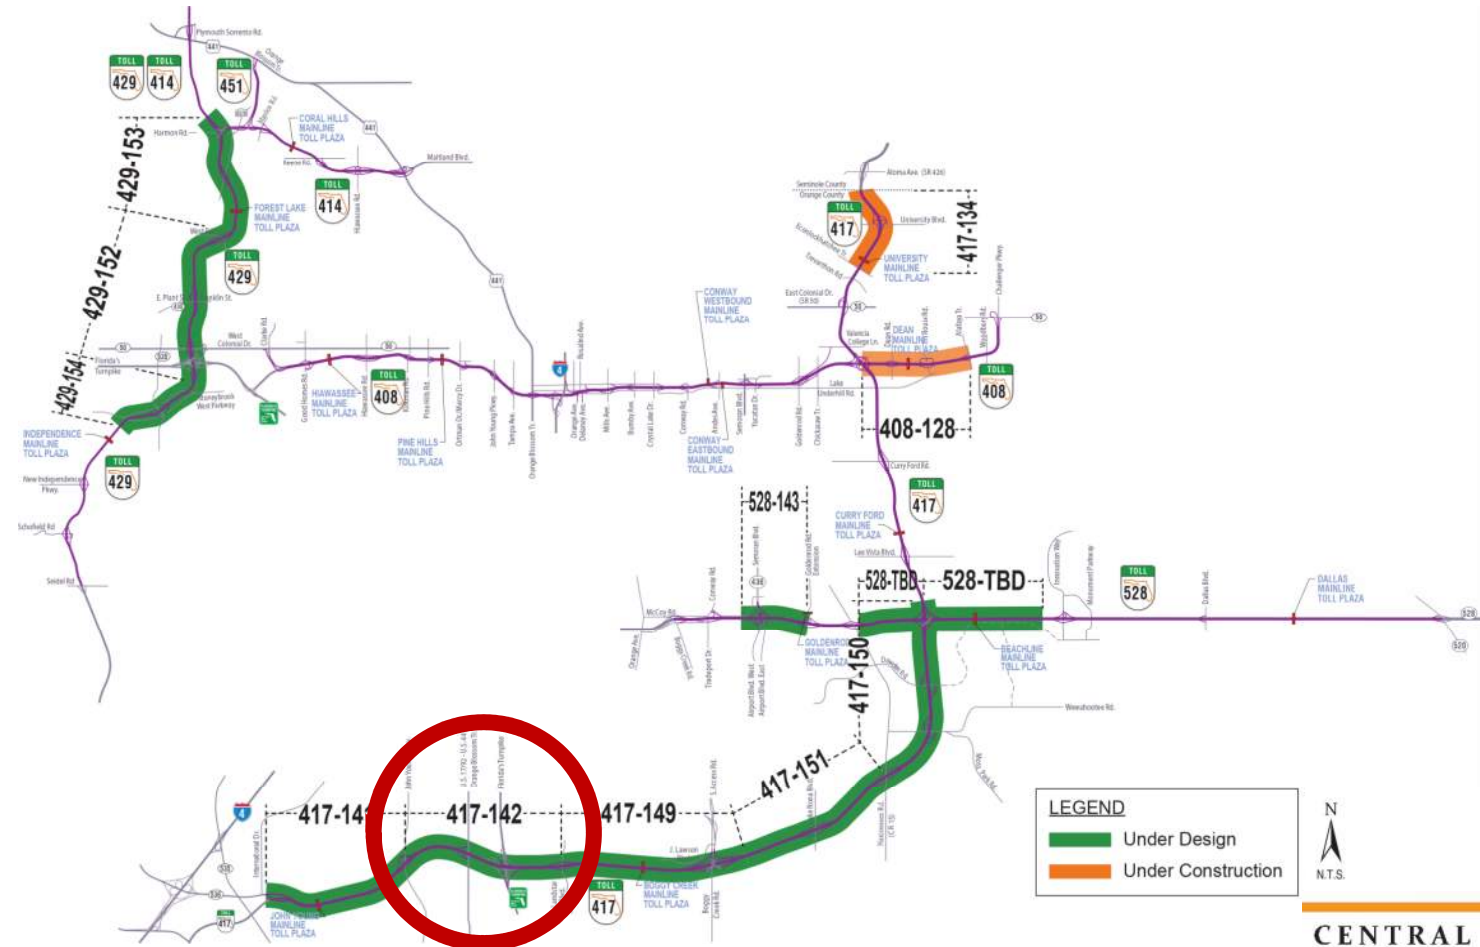

Status of System Widening Projects

SR 417 Widening

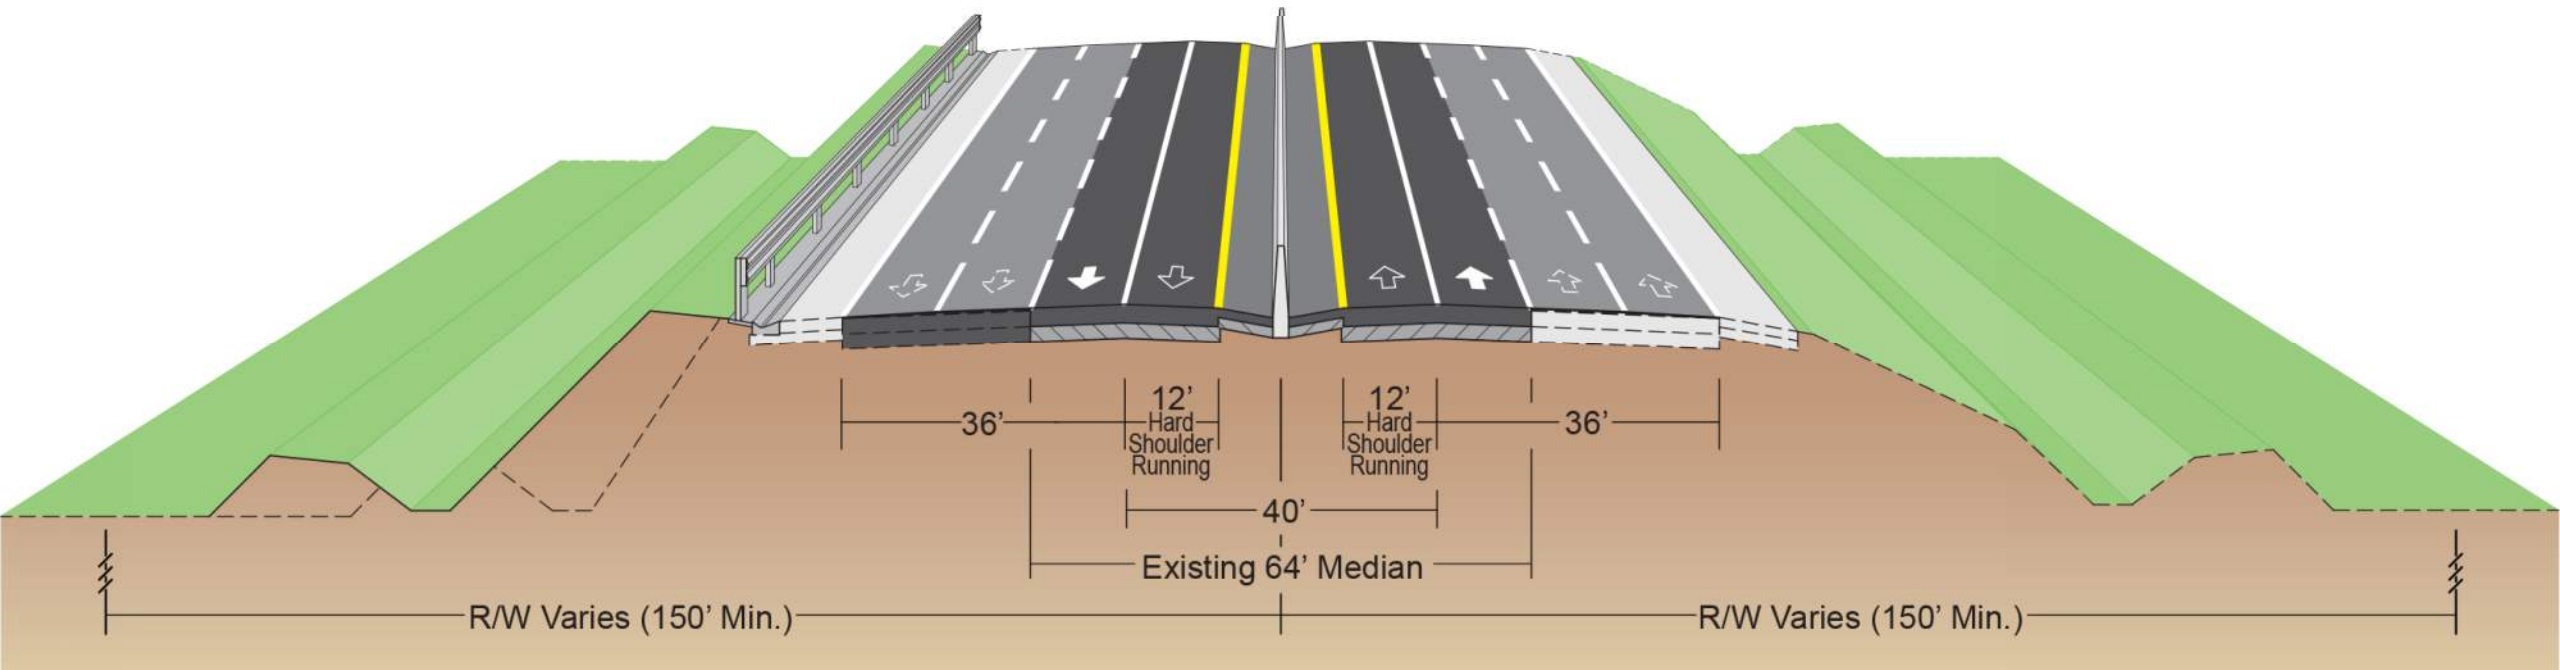

John Young Parkway to Landstar Road

- CEI Project (417-142)
- Advertisement:
 - July 2019
- \$80M estimated construction cost
 - Widen to the inside:
 - For additional general use lane
 - To accommodate part-time shoulder use with appropriate shoulder width

SR 417 Widening

John Young Parkway to Landstar Road

SR 417 Widening

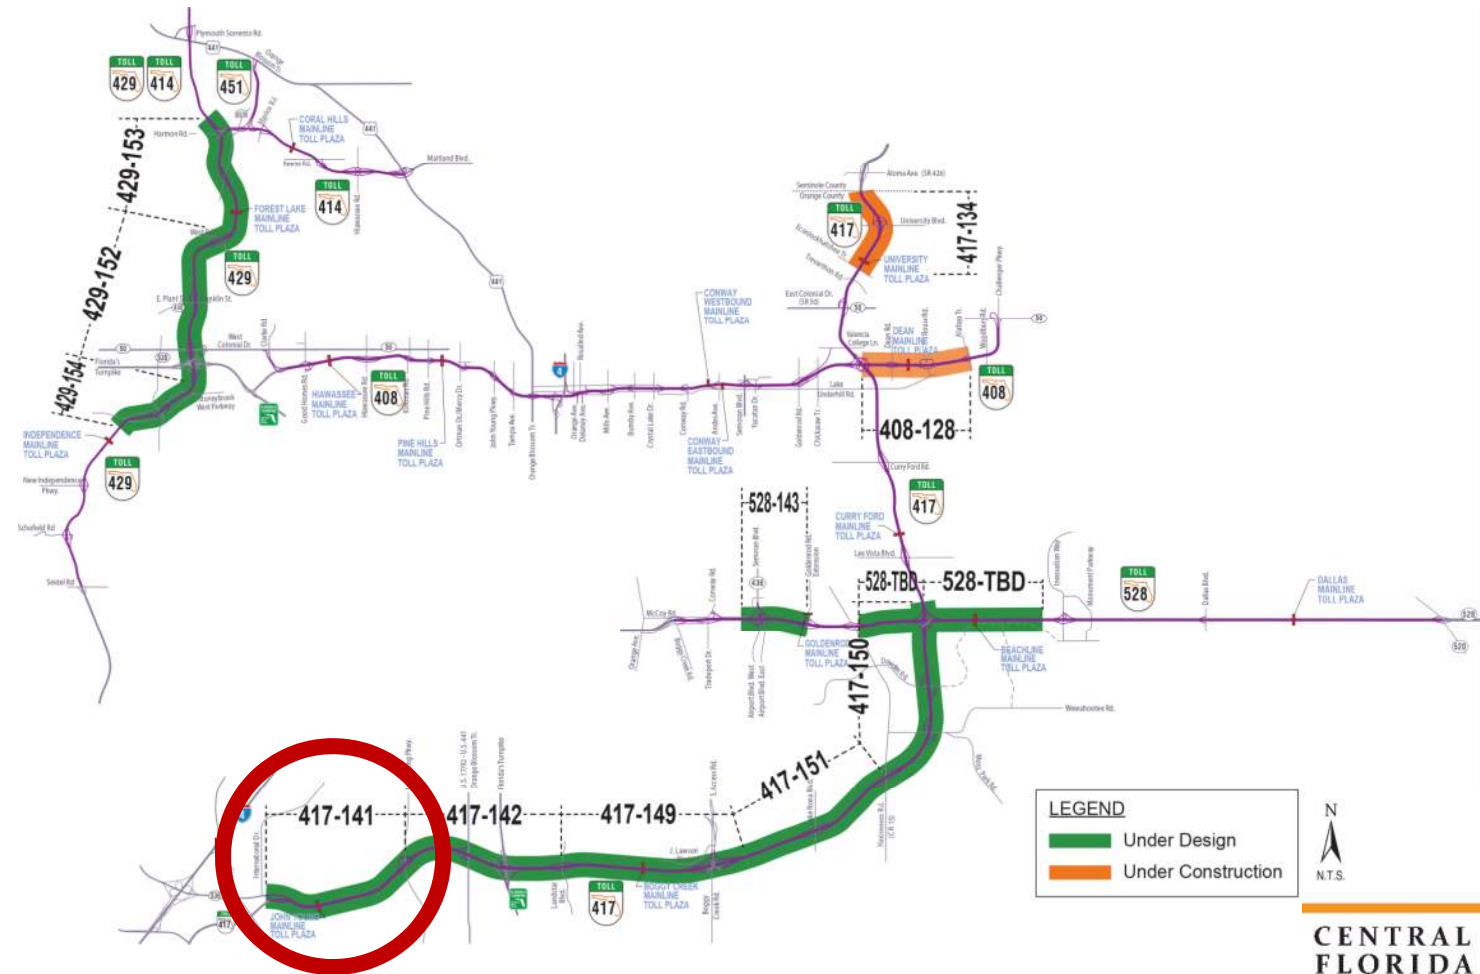

John Young Parkway to Landstar Road

- Challenges:
 - Coordination with Florida's Turnpike Enterprise
 - 6 Sets of Bridge Widenings
 - 3rd level bridge for braided ramp to Landstar
 - Tight right-of-way
 - Adjacent project coordination:
 - West – Project 417-141
 - East – Project 417-149

SR 417 Widening

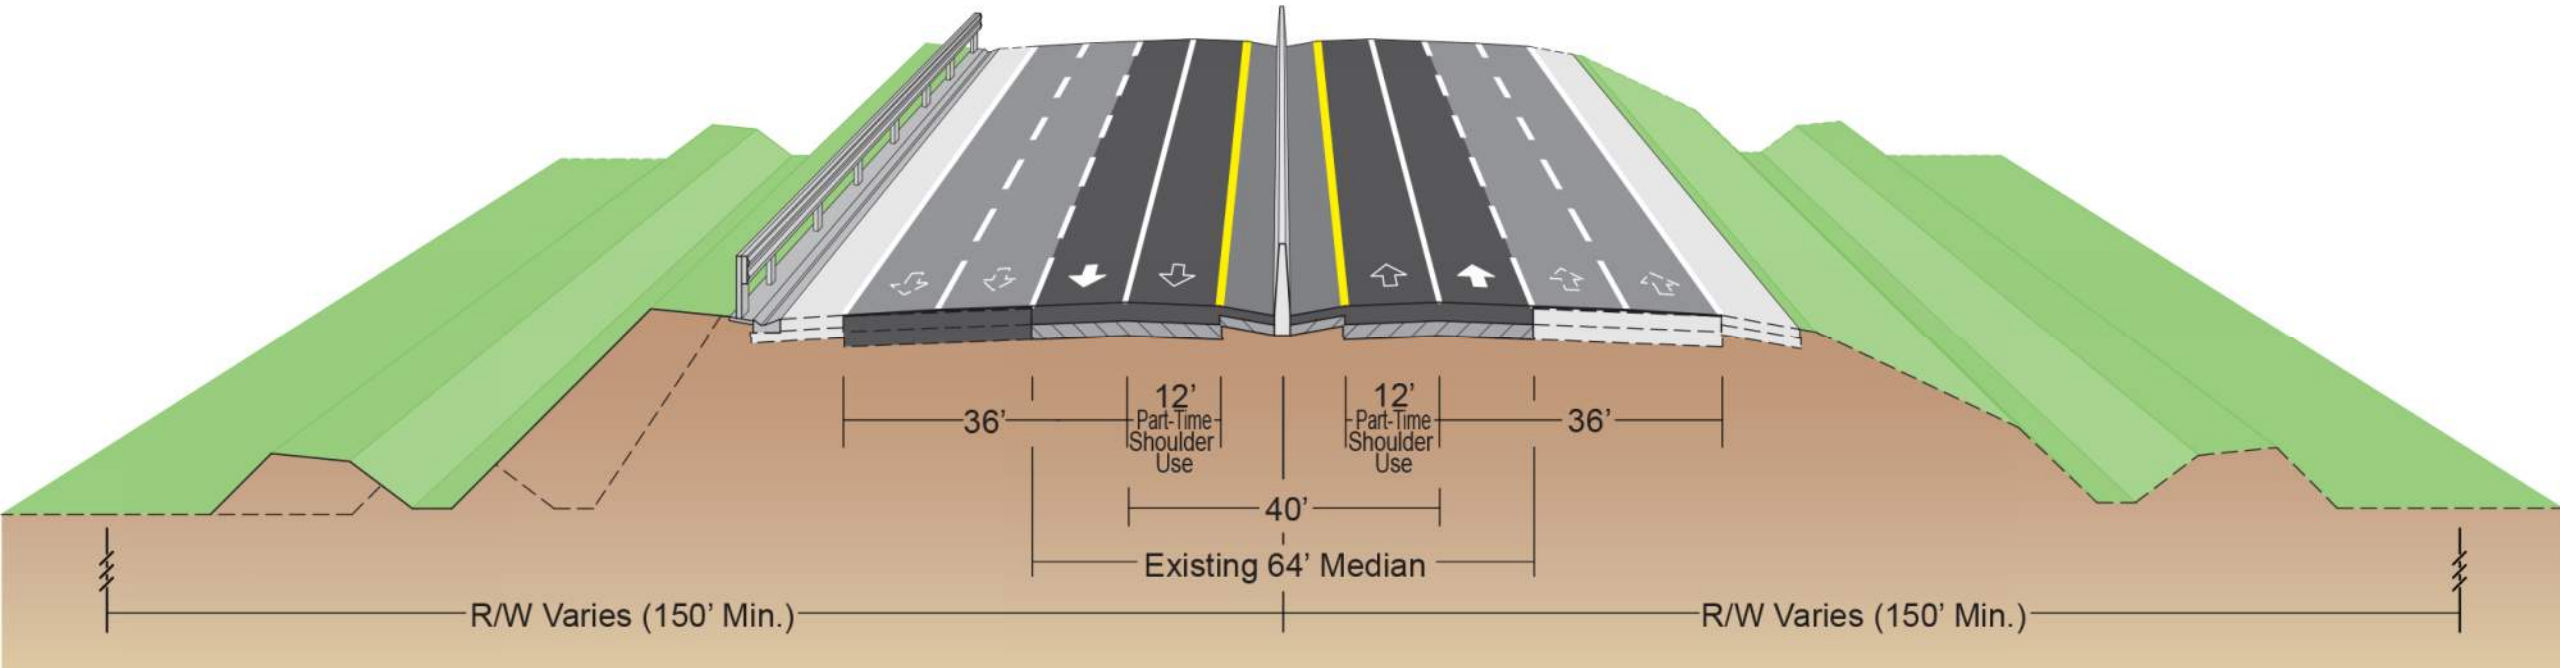

I-Drive to John Young Parkway

- CEI Project (417-141)
- Advertisement:
 - **October 2019**
- \$80M estimated construction cost
 - Widen to the inside:
 - For additional general use lane
 - To accommodate part-time shoulder use with appropriate shoulder width

SR 417 Widening

I-Drive to John Young Parkway

SR 417 Widening

I-Drive to John Young Parkway

- Challenges:
 - Shingle Creek Crossing
 - 4 Sets of Bridge Widenings
 - Toll Plaza Modifications
 - Adjacent project coordination:
 - East – Project 417-142
